

JÉSSICA MÁXIMO DE SOUZA

jessicamaximo23@gmail.com | Montréal, Canada H1Z

Summary

I have been actively involved in mobile and application programming at Cégep de la Gaspésie et des Îles in Montreal. As a current student, I am passionate about learning and exploring new technologies, with a strong focus on Java and Kotlin.

Living in Canada has given me the opportunity to immerse myself in a diverse and vibrant tech community. I have successfully developed several projects during my studies, which has solidified my skills and fueled my enthusiasm for the field. I am now excited to transition into a role as a Junior Web and Mobile Developer, where I can continue to grow and contribute to innovative projects.
