

# JÉSSICA MÁXIMO DE SOUZA

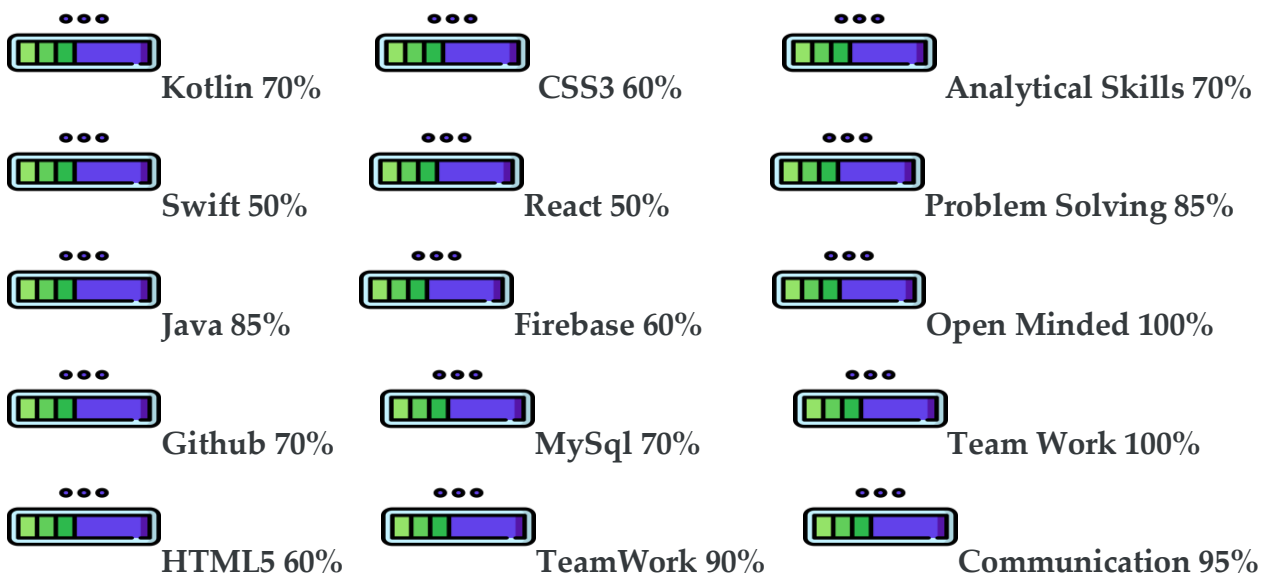

jessicamaximo23@gmail.com | Montréal, Canada

## Summary

I am actively involved in mobile and application programming at Cégep de la Gaspésie et des Îles in Montreal. As a current student, I am passionate about learning and exploring new technologies, with a strong focus on Java/Kotlin and Swift.

Living in Canada has gave me the opportunity to immerse myself in a diverse and vibrant tech community. I have successfully developed several projects during my studies, which have solidified my skills and fueled my enthusiasm for the field. I am excited to transition into a role as a Junior Mobile Developer, where I can continue to grow and contribute to innovative projects.
